File No. 500-1	:	

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of First Power & Light, Inc. n/k/a Volt Solar Systems, Inc. (“VOLT”) because of questions concerning the adequacy and accuracy of publicly available information about VOLT, including, among other things, its corporate transactions, the control of the company, and trading in its securities.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.
