In the Matter of	:	
	:	
BlueCrest Capital Management Limited	:	PROPOSED PLAN OF DISTRIBUTION
	:	
	:	
Respondent.	:	

I. OVERVIEW

1. The Division of Enforcement submits this Proposed Plan of Distribution (the “Plan”) to the United States Securities and Exchange Commission (the “Commission”) pursuant to Rule 1101 of the Commission’s Rules on Fair Fund and Disgorgement Plans (the “Commission’s Rules”), 17 C.F.R. § 201.1101. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”), comprised of disgorgement, prejudgment interest, and civil money penalties paid by BlueCrest Capital Management Limited (the “Respondent”) in the above-captioned matter.¹

2. As described more specifically below, the Plan seeks to compensate U.S. investors for management fees paid in connection with investments in BlueCrest Capital International Master Fund Limited’s two unregistered feeder funds, BlueCrest Capital International Limited and BlueCrest Capital L.P., between October 1, 2011 and December 31, 2015, inclusive (the “Relevant Period”), as calculated using the methodology detailed in the Plan of Allocation (attached as Exhibit A). Based on information obtained by the Commission staff during and after its investigation, and the review and analysis of applicable records, the Commission staff has reasonably concluded that it has all records necessary to calculate each investor’s harm. As a result, the Fair Fund is not being distributed according to a claims-made process, so procedures for making and approving claims in accordance with Rule 1101(b)(4) of the Commission’s Rules, 17 C.F.R. § 201.1101(b)(4), are not applicable.

3. In the view of the Commission staff, this methodology constitutes a fair and reasonable allocation of the Fair Fund. It is anticipated that there will be one or more distributions.

¹ See Order Instituting Administrative and Cease-and-Desist Proceedings Pursuant to Section 8A of the Securities Act of 1933 and Sections 203(e) and 203(k) of the Investment Advisers Act of 1940, Making Findings, and Imposing Remedial Sanctions and a Cease-and-Desist Order, Securities Act Rel. No. 10896 (Dec. 8, 2020) (the “Order”).

4. The Commission has custody of the Fair Fund and shall retain control of the assets of the Fair Fund. The Plan is subject to approval by the Commission, and the Commission retains jurisdiction over its implementation.

II. BACKGROUND

5. On December 8, 2020, the Commission issued the Order against the Respondent. The proceedings arose from the Respondent's management of a proprietary hedge fund, BSMA Limited ("BSMA"). In the Order, the Commission found that, from October 2011 through December 2015, the Respondent engaged in a course of conduct stemming from its management of BSMA that was detrimental to investors in the Respondent's flagship client hedge fund, BlueCrest Capital International Master Fund Limited.² The Commission ordered the Respondent to pay \$107,560,200 in disgorgement, \$25,154,306 in prejudgment interest, and a \$37,285,494 civil money penalty, for a total of \$170,000,000, to the Commission. The Commission created the Fair Fund, pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, so the penalty paid, along with the disgorgement and interest paid, can be distributed to harmed investors.

6. The Respondent has paid in full. The Fair Fund has been deposited at the United States Department of the Treasury's Bureau of the Fiscal Service ("BFS") for investment.

18. **“Recognized Loss”** means the total amount of loss calculated for a Preliminary Claimant in accordance with the Plan of Allocation.

IV. TAX COMPLIANCE

21. On April 16, 2021, the Commission appointed Miller Kaplan Arase LLP as the tax administrator (the “Tax Administrator”) for the Fair Fund to handle the tax obligations of the Fair Fund.³ The Tax Administrator will be compensated for reasonable fees and expenses from the Fair Fund in accordance with its 2019-2021 Engagement Letter Agreement with the Commission.⁴

22. The Fair Fund constitutes a Qualified Settlement Fund (“QSF”) under Section 468B(g) of the Internal Revenue Code of 1986, as amended, 26 U.S.C. § 468B(g), and related regulations, 26 C.F.R. §§ 1.468B-1 through 1.468B-5. The Tax Administrator is the administrator of such QSF for purposes of Treas. Reg. § 1.468B-2(k)(3)(I) and shall satisfy the tax-related administrative requirements imposed by Treas. Reg. § 1.468B-2, including, but not limited to:

- (a) Obtaining a taxpayer identification number;
- (b) Requesting funds necessary for the timely payment of all applicable taxes, the payment of taxes for which the Tax Administrator has received funds, and the filing of applicable returns; and
- (c) Fulfilling any information reporting or withholding requirements imposed on distributions from the Fair Fund.

23. All tax obligations will be paid from the Fair Fund, subject to the review and approval of Commission staff.

V. FUND ADMINISTRATOR

24. On June 3, 2021, the Commission appointed Kurtzman Carson Consultants, LLC, as the fund administrator for the Fair Fund (the “Fund Administrator”), and the Fund Administrator has obtained a bond in the amount of \$170,000,000, as ordered.⁵ Pursuant to Rule 1105(a) of the Commission’s Rules, 17 C.F.R. § 201.1105(a), the Fund Administrator may be removed at any time by order of the Commission or hearing officer.

³ See Order Appointing Tax Administrator, Exchange Rel. No. 34-91588 (Apr. 16, 2021).

⁴ See Omnibus Order Directing the Appointment of Tax Administrator in Administrative Proceedings that Establish Distribution Funds, Exchange Act Rel. No. 85174 (Feb. 22, 2019).

⁵ See Order Appointing Fund Administrator and Setting Bond Amount, Exchange Act Rel. No. 92097 (June 3, 2021).

25. The Fund Administrator will be responsible for administering the Fair Fund in accordance with the Plan. This will include, among other things, taking reasonable steps to obtain accurate mailing information for Preliminary Claimants; establishing a website and staffing a call center to address inquiries regarding the Plan; preparing accountings; cooperating with the Tax Administrator appointed to satisfy any tax liabilities and to ensure compliance with income tax reporting requirements, including but not limited to Foreign Act Tax Compliance Act (FATCA); disbursing the Fair Fund in accordance with this Plan, as ordered by the Commission; and researching and reconciling errors and reissuing payments, when possible.

26. To carry out the purposes of this Plan, the Fund Administrator is authorized to make and implement immaterial changes to the Plan upon agreement of the Commission staff. If a change is deemed to be material by the Commission staff, Commission approval is required prior to implementation by amending the Plan.

27. The Fund Administrator may extend any procedural deadline contained in the Plan for good cause shown, if agreed upon by the Commission staff.

28. The Fund Administrator, and/or each of its designees, agents, and assistants, shall be entitled to rely on all outstanding rules of law; any orders issued by the Commission, the Secretary or Director of Enforcement by delegated authority, or an Administrative Law Judge; and/or any investor information provided by Commission staff.

29. The Fund Administrator is authorized to enter into agreements with third parties as may be appropriate or necessary in the administration of the Fair Fund, provided such third parties are not excluded pursuant to other provisions of this Plan. In connection with such agreements, the third parties shall be deemed to be agents of the Fund Administrator under this Plan.

30. The Fund Administrator will be entitled to payment from the Fair Fund of reasonable fees and expenses, including the bond premium, incurred in the performance of its duties (including any such fees and expenses incurred by agents, consultants, or third parties retained by the Fund Administrator in furtherance of its duties).

VI. PLAN PROCEDURES

Specification of Preliminary Claimants

31. Using information obtained by the Commission staff during and after its investigation, the Fund Administrator has identified the Preliminary Claimants. Preliminary Claimants are limited to U.S. Investors who may have suffered a loss as a result of management fees paid in connection with investments in BlueCrest Capital International Limited and BlueCrest Capital L.P. during the Relevant Period.

Procedures for Locating and Notifying Preliminary Claimants

32. Within thirty (30) days of Commission approval of the Plan, the Fund Administrator will:

- (a) Establish and maintain a website devoted solely to the Fair Fund. The Fair Fund's website will make available a copy of the approved Plan, include a copy of the Plan Notice, and related materials in downloadable form, and such other information that the Fund Administrator believes will be beneficial to Preliminary Claimants.
- (b) Establish and maintain a toll-free telephone number for Preliminary Claimants to call and speak to a live representative of the Fund Administrator during its regular business hours or, outside of such hours, to hear pre-recorded information about the Fair Fund.
- (c) Establish and maintain a traditional mailing address and an email address that will be listed on all correspondence from the Fund Administrator to investors, as well as on the Fair Fund's website.
- (d) Establish and maintain a case specific database of all Preliminary Claimants based upon information provided to and obtained by the Fund Administrator, including the last known physical and email addresses.
- (e) Run a National Change of Address search to retrieve updated addresses for all records in the database, thereby ensuring the mailing information for Preliminary Claimants is up-to-date.
- (f) Send the Plan Notice to each Preliminary Claimant's last known email address (if known) and/or mailing address.

The Commission staff retains the right to review and approve any material posted on the Fair Fund's website, any communication with investors, and any scripts used in connection with communications with investors.

Undeliverable Mail

33. The Fund Administrator will attempt to locate any Preliminary Claimant whose mailing is returned as undeliverable by the U.S. Postal Service or otherwise, including an advanced address search, if feasible, and will document all such efforts. The Fund Administrator will utilize all means reasonably available, including LexisNexis, to obtain updated addresses in response to undeliverable notices. If another address is obtained, the Fund Administrator will then resend it the Preliminary Claimant's new address within twenty (20) days of receipt of the returned mail. If the mailing is returned again, and the Fund Administrator, despite best practicable efforts, is unable to find a Preliminary Claimant's correct address, the Fund Administrator, in consultation with the Commission staff, may deem such Preliminary Claimant

an Unresponsive Preliminary Claimant.

34. The Fund Administrator, with Commission staff approval, may engage a third party search firm to conduct more rigorous searches for persons whose mailings are returned as undeliverable.

35. Any Preliminary Claimant who relocates or otherwise changes contact information after receipt of the Plan Notice must promptly communicate any change in address or contact information to the Fund Administrator.

Procedures to Request Plan Notice

36. Any person who does not receive a Plan Notice, as described in paragraph 32(f), but who is aware of this Plan (e.g., through other Preliminary Claimants or on www.sec.gov) and believes they should be included as a Preliminary Claimant should contact the Fund Administrator no later than sixty (60) days from the approval of the Plan to establish that they should be considered a Preliminary Claimant. The Fund Administrator will send the person a Plan Notice within twenty (20) days of receiving the Person's documentation, if the Fund Administrator determines that the Person should have received a Plan Notice.

Failure to Respond to Plan Notice

37. If a Preliminary Claimant is requested to respond and fails to respond within thirty (30) days from the mailing of the Plan Notice, and their Plan Notice has not been returned as undeliverable, the Fund Administrator will make no fewer than two (2) attempts to contact the Preliminary Claimants by telephone, email, or, in the absence of a current email address or telephone number, mailed correspondence. The second attempt will, in no event, take place more than forty-five (45) days from the date their response was due. If a Preliminary Claimant fails to respond to the Fund Administrator's contact attempts as described in this paragraph, the Fund Administrator, in its discretion, may deem such Preliminary Claimant an Unresponsive Preliminary Claimant.

Preliminary Claimants with Underlying Investors

38. If a Preliminary Claimant is a fund or other entity that has underlying investors, the Fund Administrator will require from that Preliminary Claimant, prior to the issuance of any Distribution Payment, a certification that the Preliminary Claimant will allocate the distribution to the underlying investors, and will not otherwise use the funds. Alternatively, the Preliminary Claimant may provide to the Fund Administrator, by secure transmission, sufficient information as specified by the Fund Administrator such that the Fund Administrator is able to distribute the funds to the underlying investors in accordance with the Plan. The Fund Administrator shall provide a response date within thirty (30) days of the initial request and if no response is received, shall make two additional efforts to obtain the information. If, despite these efforts, the Preliminary Claimant does not provide the certification or alternate information within sixty (60) days of the initial request, the Fund Administrator, in its discretion, may deem such Preliminary Claimant an Unresponsive Preliminary Claimant.

Distribution Methodology

39. The Fund Administrator will calculate each Preliminary Claimant's Recognized Loss in accordance with the Plan of Allocation. All Preliminary Claimants who are determined to have suffered a Recognized Loss in accordance with the Plan of Allocation, and who are not deemed an Excluded Party or an Unresponsive Preliminary Claimant, will be deemed an Eligible Claimant. All Eligible Claimants who are determined to receive a Distribution Payment will be deemed a Payee.

Establishment of a Reserve

40. Before determining the amount of funds available for distribution and calculating each Payee's Distribution Payment, the Fund Administrator, in conjunction with the Tax Administrator, will establish a reserve to pay future Administrative Costs and to accommodate any unexpected expenditures (the "Reserve").

41. After all Distribution Payments are made and all Administrative Costs are paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 61 below.

Preparation of the Payment File

42. Within one hundred sixty (160) days of Commission approval of the Plan, the Fund Administrator will compile and send to the Commission staff the payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the "Payee List"). The Fund Administrator will also provide a Reasonable Assurances Letter to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees' names, addresses, Recognized Losses and amounts of their Distribution Payment; and (c) provides all information necessary to make a payment to each Payee.

The Escrow Account

43. Prior to the disbursement of the Net Available Fair Fund, the Fund Administrator will establish an escrow account (the "Escrow Account") with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve Act, Subpart D, 12 C.F.R. 208.43 and that is not unacceptable to the Commission staff (the "Bank"), pursuant to an escrow agreement (the "Escrow Agreement") to be provided by Commission staff.

44. The Fund Administrator, pursuant to the Escrow Agreement, shall also establish with the Bank a separate deposit account (*e.g.* controlled distribution account, managed distribution account, linked checking and investment account) (the "Distribution Account"), insured by the Federal Deposit Insurance Corporation ("FDIC") up to the guaranteed FDIC pass through limit. The Distribution Account shall be linked with the Escrow Account and shall be named, and records maintained, in accordance with the Escrow Agreement.

45. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the “Escrow Property”), if invested, shall be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or an agency thereof. The investment shall be of a type and term necessary to meet the cash liquidity requirements for payments to Payees and Administrative Costs, including investment or reinvestment in a bank account insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

46. The Fund Administrator shall provide duplicate original bank and/or investment statements on any accounts established by the Fund Administrator to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

47. The Fund Administrator, in consultation with the Commission staff, shall work with the Bank on an ongoing basis to deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such deposits or investments and tax implications; and to determine an allocation of funds between the Escrow and Distribution Account.

48. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Costs associated with the Escrow and Distribution Accounts will be the responsibility of the Fund Administrator, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

49. Upon the Commission’s staff’s receipt, review, and acceptance of the Payee List and Reasonable Assurances Letter from the Fund Administrator, the Commission staff will seek an Order from the Commission pursuant to Rule 1101(b)(6) of the Commission’s Rules, 17 C.F.R. § 210.1101(b)(6), to disburse funds to the Bank in accordance with the Payee List for distribution by the Fund Administrator in accordance with the Plan. All disbursements will be made pursuant to a Commission Order.

50. Upon issuance of an Order to disburse, the Commission staff will direct the transfer of the amount of funds referred to on the Payee List to the Bank. The Fund Administrator will then use its best efforts to commence mailing Distribution Payment checks and/or effect electronic payments within twenty (20) business days of the release of the funds into the Escrow Account. All efforts will be coordinated to limit the time between the Escrow Account’s receipt of the funds and the issuance of Distribution Payments.

51. All checks will be issued by the Fund Administrator from the Distribution Account. All checks will bear a stale date of ninety (90) days from the date of issuance. Checks that are not negotiated by the stale date will be voided, and the Bank will be instructed to stop

payment on those checks. A Payee's claim will be extinguished if he, she, or it fails to negotiate his, her or its check by the stale date, and the funds will remain in the Fair Fund except as provided in paragraphs 55 and 60.

52. All Distribution Payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; (c) a statement that checks will be void and cannot be reissued after ninety (90) days from the date the original check was issued; and (d) contact information for the Fund Administrator for questions regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be submitted to the Tax Administrator and Commission staff for review and approval.

53. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Commission to compensate investors for harm as a result of securities law violations.

Post Distribution; Handing of Returned or Uncashed Checks; and Reissues

54. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose checks are returned to the Fund Administrator as "undeliverable." If new address information becomes available, the Fund Administrator will repackage the distribution check and send it to the new address. If new address information is not available after a diligent search (and in no event no later than ninety (90) days after the initial mailing of the original check) or if the distribution check is returned again, the check shall be voided and the Fund Administrator shall instruct the issuing financial institution to stop payment on such check. If the Fund Administrator is unable to find a Payee's correct address, the Fund Administrator, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

55. The Fund Administrator will reissue checks or electronic payments to Payees upon the receipt of a valid, written request from the Payee prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (*e.g.*, name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative requests the reissuance of a Distribution Payment check in a different name, the Fund Administrator will request, and must receive, documentation to support the requested change. The Fund Administrator will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Fund Administrator, such change request is properly documented, the Fund Administrator will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of ninety (90) days from issuance of the original check or sixty (60) days from the reissuance, and in no event will a check be reissued after ninety (90) days from the date of the original issuance without the approval of Commission staff.

56. The Fund Administrator will work with the Bank and maintain information about uncashed checks and any returned items due to non-delivery, insufficient addresses, and/or other deficiencies. The Fund Administrator is responsible for researching and reconciling errors and reissuing payments when possible. The Fund Administrator is also responsible for accounting for all payments. The amount of all uncashed and undelivered payments will continue to be held in the Fair Fund.

57. The Fund Administrator will make and document reasonable efforts to contact Payees to follow-up on the status of uncashed distribution checks (other than those returned as “undeliverable”) or electronic payments that were not delivered and take appropriate action to follow-up on the status of uncashed checks and undelivered electronic payments at the request of Commission staff. The Fund Administrator may reissue such payments, subject to the time limits detailed herein.

58. At the discretion of the Fund Administrator, costs that were not factored into the Reserve, such as bank fees offset upon the return of a payment, intermediary fees, or fees specific to a Payee’s recipient bank account, may reduce the Payee’s Distribution Payment. In such situations, the Fund Administrator will immediately notify the Tax Administrator of the reduction in Distribution Payment.

Receipt of Additional Funds

59. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Commission’s termination of the Fair Fund, such funds will be added to the Fair Fund and distributed, if feasible, in accordance with the Plan, pursuant to the Commission’s Rules.

Disposition of Undistributed Funds

60. If funds remain following the initial distribution and payment of all Administrative Costs, the Fund Administrator, in consultation with the Commission staff, may seek subsequent distribution(s) of any available remaining funds, pursuant to the Commission’s Rules. All subsequent distributions shall be made in a manner that is consistent with this Plan.

61. A residual within the Fair Fund will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund and the payment of all Administrative Costs (the “Residual”). The Residual may include, among other things, the remaining funds in the Reserve; funds from distribution checks that have not been cashed, electronic payments that were not delivered, or funds returned to the Commission; and tax refunds for overpayment of taxes or for waiver of IRS penalties.

62. All funds remaining in the Residual that are infeasible to distribute to investors will be returned to the Commission and transferred to the U.S. Treasury after the final accounting is approved by the Commission. Returning such money to the Respondent would be inconsistent with the equitable principle that no person should profit from his wrongdoing. Therefore, in these circumstances distributing disgorged funds to the U.S. Treasury is the most

equitable alternative.

Administrative Costs

63. All Administrative Costs will be paid from the Fair Fund, in accordance with the Commission's Rules.

Accountings

64. Pursuant to Rule 1105(f) of the Commission's Rules, once the Commission orders the transfer of funds from BFS to the Bank, the Fund Administrator will file an accounting of all monies earned or received and all monies spent in connection with the administration of the Plan with the Commission staff during the first ten (10) days of each calendar quarter on a standardized accounting form provided by the Commission staff.

65. Upon completion of all distributions to Payees pursuant to the procedures described above, the Fund Administrator shall arrange for the payment of all Administrative Costs, transfer all remaining funds to the Commission, and submit a final accounting for approval by the Commission on a standardized form provided by the Commission staff. The Fund Administrator will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other information requested by the Commission staff.

Wind-down and Document Retention

66. The Fund Administrator will shut down the website, P.O. Box, and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the transfer of any remaining funds to the Commission, or at such earlier time as the Fund Administrator determines with the concurrence of the Commission staff.

67. The Fund Administrator will retain all materials submitted by Payees in either paper or electronic form for a period of six (6) years from the date of approval of a final fund accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Pursuant to the Commission staff's direction, the Fund Administrator will either turn over to the Commission or destroy all materials documents, including materials documents in any media, upon expiration of this period.

Termination of the Fair Fund

68. The Fair Fund will be eligible for termination and the Fund Administrator will be eligible for discharge after all of the following have occurred (a) a final accounting, in a standard accounting format provided by the Commission staff, has been submitted by the Fund Administrator and approved by the Commission; (b) all Administrative Costs have been paid; and (c) any amount remaining in the Fair Fund has been returned to the Commission for transfer to U.S. Treasury. Once the Commission has approved the final accounting, the Commission staff will seek an order from the Commission authorizing: (a) the transfer of any Residual

remaining in the Fair Fund that is infeasible to return to investors, and any amounts returned to it in the future that are infeasible to return to investors, to the U.S. Treasury, subject to Section 21F(g)(3) of the Exchange Act; (b) discharge of the Fund Administrator; (c) cancellation of the Fund Administrator's bond; and (d) termination of the Fair Fund.

VII. NOTICE OF PROPOSED PLAN AND OPPORTUNITY FOR COMMENT

69. The Notice of the Proposed Plan of Distribution and Opportunity for Comment (the "Notice") shall be published on the Commission's website <http://www.sec.gov/litigation/fairfundlist.htm>. Any person wishing to comment on the Plan must do so in writing by submitting their comments within thirty (30) days of the date of the Notice (a) to the Office of the Secretary, United States Securities and Exchange Commission, 100 F Street, N.E., Washington, D.C. 20549-1090; (b) by using the Commission's Internet comment form (www.sec.gov/litigation/admin.shtml); or (c) by sending an e-mail to rule-comments@sec.gov. Comments submitted by e-mail or via the Commission's website should include "Administrative Proceeding File No. 3-20162 in the subject line. Comments received will be publicly available. Persons should only submit comments that they wish to make publicly available.

Exhibit A

PLAN OF ALLOCATION

This Plan of Allocation is designed to compensate investors based on the management fees paid to the Respondent in connection with BlueCrest Capital International Master Fund Limited's two unregistered feeder funds, BlueCrest Capital International Limited and BlueCrest Capital L.P. (the "Securities"), between October 1, 2011 and December 31, 2015, inclusive (the "Relevant Period"). Based upon records obtained by the Commission during and after its investigation, the Fund Administrator has identified those U.S. Investors, as defined in paragraph 20 of the Plan, who may have suffered a loss as a result of management fees paid in connection with investments in the Securities during the Relevant Period (the "Preliminary Claimants"). Investors who did not pay management fees in connection with the Securities during the Relevant Period are ineligible to recover under this Plan.

The Fund Administrator will calculate each Preliminary Claimant's "Recognized Loss" as the sum of the management fees the Preliminary Claimant paid in connection with investments in either or both of the Securities during the Relevant Period, as recorded in documents obtained from the Respondent.

If the Recognized Loss calculates to a gain, then the Recognized Loss will be \$0.00.

To avoid payment of a windfall, the Recognized Loss will be reduced by the amount of any compensation for the loss that resulted from the conduct described in the Order that was received from another source (e.g., class action settlement), to the extent known by the Fund Administrator.

A Preliminary Claimant who suffered a Recognized Loss pursuant this Plan of Allocation and who is not an Excluded Party or an Unresponsive Preliminary Claimant, as defined in the Plan, will be deemed an Eligible Claimant.

Additional Provisions

Allocation of Funds: If the Net Available Fair Fund, as defined in the Plan, is equal to or exceeds the sum of Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her, or its Recognized Loss, plus "Reasonable Interest" if applicable. If the Net Available Fair Fund is less than the sum of the Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her, or its "*Pro Rata Share*" of the Net Available Fair Fund (and no Reasonable Interest). In either case, the distribution amount will be subject to the "Minimum Distribution Amount."

Reasonable Interest: If the Net Available Fair Fund exceeds that necessary to pay all Eligible Claimants their Recognized Losses, the Fund Administrator, in consultation with the Commission staff, may include reasonable interest in the distribution amount to compensate Eligible Claimants for the time value of their respective Recognized Losses. Reasonable interest will be calculated using the Short-term Applicable Federal Rate plus three percent (3%),

compounded quarterly from the end of the Relevant Period through the approximate date of the disbursement of the funds. If there are insufficient funds to pay Reasonable Interest in full to all Eligible Claimants, each Eligible Claimant will receive his, her, or its *Pro Rata* Share of the excess funds as the Reasonable Interest amount in their distribution amount.

Pro Rata Share: A *Pro Rata* Share computation is intended to measure Eligible Claimants' Recognized Losses against one another. The Fund Administrator shall determine each Eligible Claimant's *Pro Rata* Share as the ratio of the Eligible Claimant's Recognized Loss to the sum of Recognized Losses of all Eligible Claimants.

Minimum Distribution Amount: The Minimum Distribution Amount will be \$10.00. If an Eligible Claimant's distribution amount is less than the Minimum Distribution Amount, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and their distribution amount will be reallocated on a *pro-rata* basis to Eligible Claimants that have distribution amounts that are greater than or equal to the Minimum Distribution Amount.

Payee: An Eligible Claimant that has a distribution amount (inclusive of Reasonable Interest, if any) that equals or exceeds the Minimum Distribution Amount will be deemed a Payee and receive a Distribution Payment equal to their distribution amount. In no event will a Payee receive from the Fair Fund more than the Eligible Claimant's Recognized Loss plus Reasonable Interest if applicable.

Currency: Calculations pursuant to this Plan of Allocation will be made in U.S. Dollars. Distribution Payments will also be made in U.S. Dollars.
