OFFICIAL LIST OF SECTION 13(f) SECURITIES USER INFORMATION SHEET

General

This list of "Section 13(f) securities" as defined by Rule 13f-1(c) [17 CFR 240.13f-1(c)] is made available to the public pursuant to Section 13(f)(3) of the Securities Exchange Act of 1934 [15 USC 78m(f)(3)]. It is made available for use in the preparation of reports filed with the Securities and Exchange Commission pursuant to Rule 13f-1 [17 CFR 240.13f-1] under Section 13(f) of the Securities Exchange Act of 1934. An updated list is published on a quarterly basis.

This list is current as of December 15, 2015, and may be relied on by institutional investment managers filing Form 13F reports for the calendar quarter ending December 31, 2015. Institutional investment managers should report holdings--number of shares and fair market value--as of the last day of the calendar quarter as required by [Section 13(f)(1) and Rule 13f-1] thereunder.

Features

- (1) Additions and Deletions: Revisions made to the list of Section 13(f) securities are indicated in a column titled "STATUS." The word "ADDED" in the status column opposite the name of a security indicates that the security has become a Section 13(f) security. The word "DELETED" in the status column opposite the name of a security indicates that the security ceases to be a 13(f) security since the date of the last list.

- (2) List of options: An asterisk is placed next to the name of any security having a listed option and each option is individually listed with its own CUSIP number immediately below the name of the security having the option. A manager reporting holdings of options on its Form 13F should use the CUSIP number of the underlying securities to which the option relates.

CUSIP descriptions and numerical identification date (copyright 1969 through 2015, American Bankers Association) are used with permission. All rights are reserved.
