**PRELIMINARY SUMMARY DISPOSITION
OF THE OFFICE OF THE WHISTLEBLOWER**

In response to the above-referenced Notice of Covered Action, the U.S. Securities and Exchange Commission (“Commission”) received a whistleblower award claim from [REDACTED] (“Claimant”) for the above referenced matter. Pursuant to Section 21F of the Securities Exchange Act of 1934 (the “Exchange Act”) and Rule 21F-18 promulgated thereunder, the Office of the Whistleblower has evaluated the above claim in accordance with the criteria set forth in Rules 21F-1 through 21F-18 and has designated your award application(s) for resolution through the summary disposition process.

The Office of the Whistleblower has preliminarily determined to recommend that the Commission deny the above award claim.¹ The basis for this determination is marked below as follows:

The information provided by Claimant(s) was never provided to or used by staff handling the Covered Action(s) or underlying investigation (or examination), and those staff members otherwise had no contact with Claimant(s). Therefore, Claimant(s) did not provide information that led to the successful enforcement of the above-referenced Covered Action(s) within the meaning of Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a)(3) and 21F-4(c) thereunder because the information provided did not: (1) cause the Commission to (i) commence an examination, (ii) open or reopen an investigation, or (iii) inquire into different conduct as part of a current Commission examination or investigation under Rule 21F-4(c)(1) of the Exchange Act; or (2) significantly contribute to the success of a Commission judicial or administrative enforcement action under Rule 21F-4(c)(2) of the Exchange Act.²

¹ To the extent Claimant has applied for an award in a related action, because Claimant is not eligible for an award in an SEC Covered Action, he/she is not eligible for an award in connection with any related action. *See* 15 U.S.C. § 78u-6(b); Exchange Act Rule 21F-3(b), (b)(1); Rule 21F-4(g) and (f); Rule 21F-11(a); *see also* Order Determining Whistleblower Award Claim, Release No. 34-86902 (Sept. 9, 2019).

² Claimant did not provide information that led to the successful enforcement of the Covered Action. The investigation that led to the Covered Action (the “Investigation”) was opened in [REDACTED] based upon the staff’s investigative efforts in connection with other tips and information developed in a related investigation. The Investigation was opened approximately one month before Claimant first contacted the Commission. Claimant’s information did not cause the staff to open the Investigation. Staff assigned to the Investigation that led to the Covered Action did not recall reviewing or receiving any of Claimant’s information, nor did the staff recall communicating with Claimant. While Claimant states that Claimant spoke with staff from the [REDACTED] Regional Office, staff assigned to the Investigation did not recall receiving or reviewing any information from [REDACTED] staff related to the Investigation.
