Charter***

I. PURPOSE

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Long-Term Stock Exchange, Inc. (the “Exchange”) shall assist the Board in fulfilling its responsibilities to oversee the (i) financial soundness and compliance resources of the Exchange; (ii) effectiveness of financial and compliance control processes related to operation of the Exchange; (iii) practices for reporting as a self-regulatory organization, exercising sound business risk management and ensuring ethical behavior; (iv) Exchange’s financial reporting process; (v) Exchange’s internal controls for information integrity; (vi) Exchange’s internal audit function; and (vii) Exchange’s enterprise risk and technology operations, including security and business continuity measures.

II. ORGANIZATION AND MEMBERSHIP

The Committee shall consist of at least three members, all of whom shall be Independent Directors, as defined in the Exchange’s Bylaws.

Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, and at least one member of the Committee must be an “audit committee financial expert” in accordance with U.S. Securities and Exchange Commission (“SEC”) rules. In setting the qualifications for members of the Committee, and in electing members to the Committee, the Board may take into consideration academic background, training in financial analysis or business management, business experience involving or requiring financial management analysis and such other factors as the Board may deem appropriate.

Members of the Committee shall be elected by the Board annually upon the recommendation of the Nominating Committee and, unless otherwise directed by the Board, shall serve one-year terms. Members may be removed by the Board at any time with or without cause. Membership on the Committee shall automatically end at such time as a member ceases to be a member of the Board. Upon the removal or resignation of a member, the Board may elect a successor to serve the remainder of the unexpired term. Vacancies in the membership of the Committee shall be promptly filled by an election of at least a majority of the Board, either at a regular meeting of the Board or at a special meeting of the Board called for that purpose, or by Unanimous Written Consent of the Board, in any case upon the nomination of the Nominating Committee.

One Independent Director of the Committee should be elected chairperson by the Board. If the Board fails to elect the Committee’s chairperson, the Committee will elect one Independent Director of the Committee as chairperson. The Exchange shall have the power to create subcommittees with such powers as the Committee shall from time to time confer.

III. STRUCTURE AND MEETINGS

At all meetings of the Committee, a majority of the Committee members entitled to vote on a matter shall constitute a quorum for the transaction of business. Except as otherwise provided in the Exchange's Bylaws or required by the Board or applicable law, the approval of a majority of the Committee members present at any Committee meeting at which there is a quorum shall be required for any act of the Committee. Committee members may participate in a meeting in person or by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Any action required or permitted to be taken at a Committee meeting may be taken without a meeting if all Committee members consent thereto in writing, which shall include email or other electronic communication, and the written consent is filed with the minutes of proceedings of the Committee.

The Committee shall meet as often as is necessary or appropriate in its judgment, but at least four times a year, and shall report on the Committee's meeting activities, deliberations, findings and/or recommendations, as applicable, at each regular meeting of the Board. The Committee designee or, alternatively, the Secretary of the Exchange (the "Secretary"), shall ensure that the agenda for each meeting, together with any other relevant materials, is circulated to each Committee member as soon as is reasonably practicable in advance of the meeting. The Secretary or his or her designee shall maintain written minutes of the meetings. The chairperson of the Committee will establish the agenda for each committee meeting.

 5. Review and discuss significant, substantive communications between the Exchange and the staff of the SEC’s Division of Trading and Markets, Division of Enforcement and/or Office of Compliance Inspections and Examinations.
 6. Select, evaluate and, where appropriate, replace any independent auditors retained by the Exchange to perform internal or other audit functions directly for the Exchange, it being understood that, for so long as the Exchange is a wholly-owned subsidiary of the Shareholder, the financial statements of the Exchange will be audited as part of the independent audit of the consolidated financial statements of the Shareholder by independent auditors selected by the Board of Directors of the Shareholder, with such selection to be reviewed and approved annually by the Committee, in consultation with the chairperson of the Finance and Audit Committee of the Board of Directors of the Shareholder.
