Re: Republic Services, Inc.
File No. 333-166469

Ladies and Gentlemen:

We are writing on behalf of our client, Republic Services, Inc., a Delaware corporation (the "Company"), to request that a no-action letter be issued advising us that the staff of the Division of Corporation Finance (the "Staff") of the Securities and Exchange Commission (the "Commission") concurs with the Company's view that neither (i) the updating, for purposes of Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act"), of the Registration Statement on Form S-3 filed by the Company and the 100% owned subsidiaries of the Company listed in Annex I hereto (the "Subsidiary Guarantors"), nor (ii) the effectiveness of a post-effective amendment thereto, in each case during the fiscal year ended December 31, 2012 would, under the circumstances described below, preclude the Subsidiary Guarantors from filing a Form 15 to immediately suspend their reporting obligations under Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), in reliance on Rule 12h-3 thereunder. Unless otherwise indicated, each reference herein to a "Section" or "Rule" is to the corresponding Exchange Act section or rule promulgated thereunder, respectively, and the term "100% owned" has the meaning given to it in Rule 3-10(h) of Regulation S-X.

The Company has authorized us to make the statements set forth in this letter on behalf of the Company and the Subsidiary Guarantors.

I. Background

On May 5, 2010 the Company and the Subsidiary Guarantors filed a joint automatic shelf registration statement on Form S-3 (File No. 333-166469) (the "Form S-3 ASR") to register, among other securities of the Company, the senior debt securities of the Company and guarantees thereof by the Subsidiary Guarantors. The guarantees of the Subsidiary Guarantors, the offering and sale of which were registered on the Form S-3, are hereinafter referred to as the

“Form S-3 Guarantees.” Pursuant to Rule 462 of the Securities Act, the Form S-3 ASR became effective upon its filing on May 5, 2010 (the “Initial Effectiveness Date”).

On July 1, 2010, a Registration Statement on Form S-4 (File No. 333-166567) (the “Form S-4”) of the Company and the Subsidiary Guarantors was declared effective pursuant to Section 8(a) of the Securities Act. The Form S-4 related to \$850,000,000 principal amount of 5% Notes due 2020; \$600,000,000 principal amount of 5.25% Notes due 2021; \$650,000,000 principal amount of 5.5% Notes due 2019 and \$650,000,000 principal amount of 6.20% Notes due 2040 (together, the “2010 Registered Notes”) and guarantees thereof by the Subsidiary Guarantors (the “2010 Subsidiary Guarantees”).

The 2010 Registered Notes of the Company and the 2010 Subsidiary Guarantees of the Subsidiary Guarantors were issued in an exchange offer registered pursuant to the Form S-4 in exchange for notes and guarantees originally offered and sold in private placements pursuant to Rule 144A and Regulation S under the Securities Act (the “Exchange Offer”). By their terms, the 2010 Subsidiary Guarantees were subject to being automatically terminated and released upon the release of the Subsidiary Guarantors from their obligations under the Company’s principal bank credit facilities.

On September 10, 2010, the Company and the Subsidiary Guarantors filed a post-effective amendment to the Form S-4 to remove from registration any and all 2010 Registered Notes and 2010 Subsidiary Guarantees not issued in the Exchange Offer. The post-effective amendment to the Form S-4 was declared effective on September 16, 2010.

On May 2, 2011, the Company and the Subsidiary Guarantors offered and sold, pursuant to the Form S-3 ASR, \$700,000,000 principal amount of 3.8% Notes due 2018, \$550,000,000 principal amount of 4.750% Notes due 2023 and \$600,000,000 principal amount of 5.7% Notes due 2041 (together, the “2011 Registered Notes”) and guarantees thereof by the Subsidiary Guarantors (the “2011 Subsidiary Guarantees”). By their terms, the 2011 Subsidiary Guarantees were subject to being automatically terminated and released upon the release of the Subsidiary Guarantors from their obligations under the Company’s principal bank credit facilities.

Certain of the Subsidiary Guarantors (primarily entities that were subsidiaries of the Company immediately prior to the Company’s 2008 acquisition of Allied Waste Industries, Inc. (“AWI”)) first became subject to the reporting obligations of Section 15(d) on the Initial Effectiveness Date in 2010. As explained in further detail below, other Subsidiary Guarantors (primarily entities that were subsidiaries of AWI immediately prior to the time AWI was acquired by the Company and referred to herein as the “Allied Subsidiary Guarantors”) previously had Section 15(d) reporting obligations with respect to registration statements relating to the guarantees of debt securities issued by AWI’s principal operating subsidiary, Allied Waste North America, Inc. (“AWNA”). As noted below, the Section 15(d) reporting obligations of the Allied Subsidiary Guarantors with respect to the guarantees of the AWNA debt securities had been suspended prior to the Initial Effectiveness Date. The Allied Subsidiary Guarantors once

again became subject to the reporting obligations of Section 15(d) on the Initial Effectiveness Date in 2010.

As a result of the subsequent effectiveness of the Form S-4 and thereafter, by virtue of the annual updating of the Form S-3 ASR for purposes of Section 10(a)(3) of the Securities Act, the Subsidiary Guarantors continued to be subject to the reporting obligations of Section 15(d) for each year since the Initial Effectiveness Date. All of the Subsidiary Guarantors have been eligible for, and have availed themselves of, the exemption from the duty to file reports under Section 15(d) that is provided by Rule 12h-5 because they were each permitted to omit financial statements by Rule 3-10 of Regulation S-X in accordance with paragraph (f) thereof. In particular, the Company's financial statements filed with the Commission since the Initial Effectiveness Date included the financial information required by Rule 3-10(f)(4) of Regulation S-X.

The Section 15(d) reporting obligations of the Subsidiary Guarantors with respect to the 2010 Subsidiary Guarantees automatically became suspended by operation of Section 15(d) on January 1, 2011 because the 2010 Subsidiary Guarantees relating to each separate series of 2010 Registered Notes were each held of record by fewer than 300 persons and the filing of the Company's 2010 Form 10-K containing the financial information required by Rule 3-10(f)(4) of Regulation S-X completed the Subsidiary Guarantors' reporting obligations with respect to those classes of securities.

On April 27, 2012 the Company and the Subsidiary Guarantors filed a post-effective amendment to the Form S-3 ASR (the "Post Effective Amendment"), which became effective immediately upon filing, to add an additional form of indenture pursuant to which the debt securities of the Company could be issued.

On May 8, 2012, (the "Release Date") all of the obligations of the Subsidiary Guarantors under the Company's principal bank credit facilities were terminated. As a result, all of the 2010 Subsidiary Guarantees and all of the 2011 Subsidiary Guarantees have ceased to be outstanding and there are currently no holders of such securities. The 2011 Subsidiary Guarantees were the only securities of the Subsidiary Guarantors ever offered and sold pursuant to the Form S-3 ASR. On May 8, 2012, the Company filed a Form 8-K to disclose, among other items, the release of all of the 2010 Subsidiary Guarantees and the 2011 Subsidiary Guarantees.

On May 14, 2012, the Company offered and sold \$850,000,000 of its 3.55% Notes due 2022 (the "2012 Registered Notes"). The 2012 Registered Notes were issued under the Form S-3 ASR. The 2012 Registered Notes were not, however, guaranteed by any of the Subsidiary Guarantors.

On May 21, 2012, the Company and the Subsidiary Guarantors filed a post effective amendment to the Form S-3 ASR, which became effective immediately upon filing, to remove

from registration any and all unsold guarantees of the Subsidiary Guarantors issuable with respect to any potential future offerings of debt securities of the Company.

The Subsidiary Guarantors do not have any outstanding classes of securities that are registered or required to be registered under Section 12 of the Exchange Act or that would otherwise subject any of the Subsidiary Guarantors to the reporting obligations of Section 15(d) of the Exchange Act. Except for two series of debt securities of Browning-Ferris Industries, LLC and related guarantees described below, following the termination and release of the 2010 Subsidiary Guarantees and the 2011 Subsidiary Guarantees, each of the Subsidiary Guarantors had, and continues to have, no outstanding class of securities other than its common stock (or equivalent equity interests in the case of entities that are organized as limited liability companies or as limited partnerships), all of which is 100% owned, directly or indirectly, by the Company.

By way of background, two of the Subsidiary Guarantors have previously had publicly-traded equity securities registered under Section 12 of the Exchange Act: AWI (which was reorganized as Allied Waste Industries, LLC following its acquisition by the Company) and Browning-Ferris Industries, LLC (formerly Browning-Ferris Industries, Inc.) ("BFI"). In 1999, AWI acquired BFI, at which time BFI became a wholly-owned subsidiary of AWI. In 2008, the Company acquired AWI, at which time AWI became a wholly-owned subsidiary of the Company.

At the time of the acquisition of AWI by the Company, one Subsidiary Guarantor, AUNA, the principal operating subsidiary of AWI, had outstanding nine separate series of debt securities (collectively, the "AUNA Notes"), all of which were guaranteed by AUNA's immediate parent, AWI, as well as by substantially all of the other subsidiaries of AWI. The offering and sale of the AUNA Notes and the guarantees thereof by the other subsidiaries of AWI had been registered on various registration statements, the last of which occurred in March 2007 in connection with the issuance of \$750 million of AUNA's 6 7/8% Senior Notes due 2017 (the "AUNA Notes due 2017"). Following the completion of the acquisition of AWI by the Company in December 2008, AUNA filed, on December 19, 2008, a Form 15 with respect to each then outstanding class of AUNA Notes. AWI similarly filed a Form 15 with respect to its guarantees of each class of the AUNA Notes on that date. Each separate class of the AUNA Notes was held of record by fewer than 300 persons as of January 1, 2009, and at all times thereafter through the date of this letter. Consequently, any Section 15(d) reporting obligations of the other subsidiaries of AWI with respect to their guarantees of the nine separate classes of AUNA Notes automatically became suspended by operation of Section 15(d) not later than January 1, 2009. Following the completion of the acquisition of AWI by the Company, each of the Company and substantially all of the entities that constituted subsidiaries of the Company immediately prior to the acquisition of AWI issued guarantees of the AUNA Notes. Such guarantees were issued without consideration in a transaction not required to be registered under the Securities Act. In any event, all of the AUNA Notes and the guarantees thereof by the Subsidiary Guarantors have now been retired, the most recent retirement occurring on June 1,

Office of Chief Counsel
July 18, 2012
Page 5

2012 in connection with the redemption of the last outstanding series of AUNA Notes, the AUNA Notes due 2017.

Another Subsidiary Guarantor, BFI, has two series of debt securities outstanding: \$35.3 million principal amount of 9.25% Debentures due 2021 and \$165.2 million principal amount of 7.40% Debentures due 2035 (together the “BFI Notes”). BFI has previously filed a Form 15 on August 6, 1999 with respect to each of these two series of securities and each such series of securities was held of record by fewer than 300 holders as of January 1, 2012 and at all times thereafter through the date of this letter. In connection with the acquisition of BFI in 1999, AWI and AUNA, each of which would subsequently become a wholly-owned subsidiary of the Company, issued guarantees of the BFI Notes. Such guarantees were issued without consideration in a transaction not required to be registered under the Securities Act. Accordingly, none of the Subsidiary Guarantors has any classes of securities that are registered or required to be registered under Section 12 of the Exchange Act or that would otherwise subject any of the Subsidiary Guarantors to the reporting obligations of Section 15(d) of the Exchange Act, other than the Form S-3 Guarantees.

Subject to the Staff’s concurrence with the request set forth in this letter, the Subsidiary Guarantors will file a Form 15 with the Commission to suspend their duty to file reports under Section 15(d) with respect to the Form S-3 Guarantees in reliance on Rule 12h-3. The Subsidiary Guarantors will file such Form 15 only after the relief sought by this letter has been obtained, but no later than the filing of the Company’s Form 10-Q for the period ended June 30, 2012 (assuming that the relief sought by this letter has been obtained before such date). The Company expects to file its Form 10-Q for the period ended June 30, 2012 on or about July 27, 2012. Once a Form 15 is filed with the Commission to suspend the duty of the Subsidiary Guarantors to file reports under Section 15(d), the Company represents that the Subsidiary Guarantors will not do so on a voluntary basis.

II. Discussion

Rule 12h-3 permits an issuer to suspend its reporting obligations under Section 15(d) with respect to a class of securities, if (A) the issuer has filed all reports required by Section 13(a) for the shorter of (1) its most recent three fiscal years and the portion of the current year preceding the date of filing Form 15 and (2) the period since the issuer became subject to such reporting obligations and (B) the securities are held of record by fewer than 300 persons.

The Subsidiary Guarantors qualify for suspension pursuant to Rule 12h-3 of their reporting obligations under Section 15(d) with respect to the Form S-3 Guarantees but for the provisions of paragraph (c) of Rule 12h-3. As of the date hereof, there are no holders of any Form S-3 Guarantees. The Company has filed all reports required by Sections 13(a) and 15(d) for the period since the Subsidiary Guarantors became subject to the reporting requirements imposed by Section 15(d). The Subsidiary Guarantors have throughout such period (commencing with the Initial Effectiveness Date) been eligible for, and have availed themselves

Page 6

of, the exemption from the duty to file reports under Section 15(d) that is provided by Rule 12h-5 because they were each permitted to omit financial statements by Rule 3-10 of Regulation S-X in accordance with paragraph (f) thereof. In particular, the Company's financial statements filed with the Commission during such period included the financial information required by Rule 3-10(f)(4) of Regulation S-X. Therefore, the Subsidiary Guarantors satisfy the requirements of Rule 12h-3 but for the application of the provisions of paragraph (c) thereof.

Rule 12h-3(c) states that Rule 12h-3 is unavailable for any class of securities for a fiscal year in which a registration statement relating to that class becomes effective or is required to be updated for purposes of Section 10(a)(3) under the Securities Act. The updating of the Form S-3 ASR for the purposes of Section 10(a)(3) under the Securities Act that was effected by the automatic incorporation therein of the Company's Form 10-K for the year ended December 31, 2011, and effectiveness of the Post-Effective Amendment thereto, brings the Subsidiary Guarantors within the scope of Rule 12h-3(c). The Subsidiary Guarantors will file a Form 15 with the Commission to suspend their duty to file reports under Section 15(d) with respect to the Form S-3 Guarantees in reliance on Rule 12h-3 only after the relief sought by this letter has been obtained, but no later than the filing of the Company's Form 10-Q for the period ended June 30, 2012 (assuming that the relief sought by this letter has been obtained before such date).

We respectfully submit that the Subsidiary Guarantors should be able to rely on Rule 12h-3 to suspend their duty to file reports under Section 15(d), notwithstanding the provisions of Rule 12h-3(c), for the following reasons: (1) the Subsidiary Guarantors meet the requirements of Rules 12h-3(a) and (b), (2) Section 15(d)'s purpose of providing current information to investors would not be undermined in granting the Subsidiary Guarantors relief, (3) the benefits of reporting for the Subsidiary Guarantors do not outweigh the burdens of making such filings and (4) the Commission has recognized in a number of situations similar to the Subsidiary Guarantors' that a literal reading of Rule 12h-3(c) is not always justified by public policy considerations. The issue presented in this letter is whether the updating of the Form S-3 ASR that was effected by the automatic incorporation therein of the Company's Form 10-K for the year ended December 31, 2011, or the effectiveness of the Post-Effective Amendment, in each case during the fiscal year ended December 31, 2012, should preclude the Subsidiary Guarantors from utilizing Rule 12h-3.

The Subsidiary Guarantors meet the requirements of Rules 12h-3(a) and (b). The Subsidiary Guarantors meet all requirements of Rule 12h-3(a) and (b) to suspend their duty under Section 15(d) to file reports required by Section 13(a). The Company has filed all reports required by Sections 13(a) and 15(d) for the period since the Subsidiary Guarantors became subject to the reporting requirements imposed by Section 15(d). The Subsidiary Guarantors have throughout such period been eligible for, and have availed themselves of, the exemption from the duty to file reports under Section 15(d) that is provided by Rule 12h-5 because they were each permitted to omit financial statements by Rule 3-10 of Regulation S-X in accordance with paragraph (f) thereof. In particular, the Company's financial statements filed with the Commission during such period included the financial information required by Rule 3-10(f)(4) of

Office of Chief Counsel
July 18, 2012
Page 7

Regulation S-X. Thus, the Company advises the Staff that, as of the date of this letter, the Subsidiary Guarantors are current in their reporting obligations under the Exchange Act. The Company further represents that, as of the date that a Form 15 will be filed to suspend the reporting obligations of the Subsidiary Guarantors under Section 15(d) with respect to the Form S-3 Guarantees in reliance on Rule 12h-3, the Subsidiary Guarantors will have filed with the Commission all reports required by Sections 13(a) and 15(d) before such date, except to the extent the Subsidiary Guarantors are exempt from filing such reports pursuant to Rule 12h-5. Moreover, following the Release Date, there are no holders of the 2011 Subsidiary Guarantees and there having been no other offerings of the Form S-3 Guarantees; there are, consequently, no holders of the Form S-3 Guarantees.

Section 15(d)'s purpose of providing current information to purchasers would not be undermined by granting the Subsidiary Guarantors relief. The Staff has repeatedly indicated that a literal reading of Rule 12h-3(c) is not always justified as a matter of public policy. In the proposing release to revise Rule 12h-3, the Commission stated that the purpose of reporting under Section 15(d) is “to assure a stream of current information about an issuer for the benefit of purchasers in the registered offering, and for the public, in situations where Section 13 of the Exchange Act would not otherwise apply” and that “this [Rule 12h-(c)] limitation is in keeping with the philosophy reflected in Section 15(d) of the Exchange Act that generally the investing public should have available complete information about the issuer’s activities at least through the end of the year in which it makes a registered offering.” See Exchange Act Release No. 34-20263 (October 5, 1983) (the “Proposing Release”). The Subsidiary Guarantors have filed a post-effective amendment to the Form S-3 ASR to remove any unsold Form S-3 Guarantees from registration. Therefore, there are no potential future purchasers of the Form S-3 Guarantees who would be protected by, or would in any way benefit from, the continued filing of periodic reports by any of the Subsidiary Guarantors or the continued inclusion in the Company’s financial statements of the information required by Rule 3-10(f)(4) of Regulation S-X in lieu of the filing of such periodic reports.

The benefits of reporting do not outweigh the burdens of making such filing. In the Proposing Release, the Commission noted that Rule 12h-3 suspends the duty to file reports because “Congress recognized, with respect to Section 15(d), that the benefits of periodic reporting by an issuer might not always be commensurate with the burdens imposed.” In several analogous cases involving the redemption of an issuer’s registered securities, the Staff has recognized that the benefits of reporting when there are or will be few or no holders of such securities do not outweigh the burdens of making such filings. See, e.g., *MX Energy Holdings Inc.* (available August 18, 2011); *Aeroflex Incorporated* (available August 4, 2011); *CPG International, Inc.* (available March 23, 2011); *Goodman Global Group, Inc.* (available December 14, 2010); *Comtech Telecommunications Corp.* (available August 27, 2009). Similarly, in several analogous cases involving the updating of a shelf registration statement for the offering of debt securities, pursuant to Section 10(a)(3) of the Securities Act through the automatic incorporation of a Form 10-K, the Staff recognized that the benefits of continued reporting did not outweigh the burdens of making such filings with respect to the unsold debt

securities registered under such shelf registration statement. *See, e.g., Wyeth* (available November 4, 2009); *Residential Capital, LLC* (available November 3, 2009); and *Anheuser-Busch Companies, Inc.* (available February 18, 2009). There are no longer any holders of the Form S-3 Guarantees. Requiring the Subsidiary Guarantors to continue their Section 15(d) reporting when there are no longer any holders of the Form S-3 Guarantees and no potential future purchasers of the Form S-3 Guarantees does not appear to be justified by the Commission's policy articulated in the Proposing Release and would impose a substantial burden on the Company due to the expense and dedication of management time that would be required to continue to prepare the financial information required by Rule 3-10(f)(4) of Regulation S-X to allow the Subsidiary Guarantors to continue to rely on the exemption provided by Rule 12h-5. The Company estimates that the annual cost of the preparation, review and audit of such additional financial information is approximately \$30,000.00.

Prior no action relief granted with respect to Rule 12h-3(c). The Staff has recognized that a literal reading of Rule 12h-3 can have unintended consequences and accordingly has taken a no-action position similar to that requested herein in many other instances. *See, e.g., MX Energy Holdings Inc.* (available August 18, 2011) (Staff permits suspension of reporting when all notes and guarantees have been redeemed); *Aeroflex Incorporated* (available August 4, 2011) (same); *CPG International Inc.* (available March 23, 2011) (same); *Goodman Global Group, Inc.* (available December 14, 2010) (Staff permits suspension of reporting where all notes have been redeemed); *Wyeth* (available November 4, 2009) (Staff permits suspension of reporting when unsold debt securities removed from registration under outstanding shelf registration statement); *Residential Capital LLC* (available November 3, 2009) (Staff permits suspension of reporting when unsold debt securities and guarantees thereof removed from registration under outstanding shelf registration statement); *Comtech Telecommunications Corp.* (available August 27, 2009) (Staff permits suspension of reporting by subsidiary guarantors where the guarantees have been terminated upon the conversion of all guaranteed notes into common stock); *Anheuser-Busch Companies, Inc.* (available February 18, 2009) (Staff permits suspension of reporting when unsold debt securities removed from registration under outstanding shelf registration statement). In each of these cases, notwithstanding that a registration statement under the Securities Act had been declared effective or updated pursuant to Section 10(a)(3) of the Securities Act in the fiscal year in question, the Staff agreed with the position that Rule 12h-3(c) does not require an issuer to remain subject to the reporting requirements of Section 15(d).

In addition, we note that while the Subsidiary Guarantors do not fall within the scope of the two situations described by the Staff in Staff Legal Bulletin No. 18 (CF) (March 15, 2010) (the "Legal Bulletin"), the Subsidiary Guarantors otherwise satisfy the conditions set forth in the Legal Bulletin for an issuer to be exempted from the requirement to receive a no-action response from the Division of Corporation Finance before filing a Form 15 to suspend its Section 15(d) reporting obligations in reliance on Rule 12h-3. As discussed in detail above, each of the Subsidiary Guarantors: (1) does not have a class of securities registered under Section 12; (2) complies with the requirements of Rules 12h-3(a) and 12h-3(b) and will file a Form 15; (3) has terminated all registered securities offerings, and does not have any unsold securities remaining

Office of Chief Counsel
July 18, 2012
Page 9

on any Securities Act registration statement; and (4) will not otherwise be required pursuant to the indentures under which the 2010 Registered Notes or 2011 Registered Notes were issued or, in the case of AUNA, AWI or BFI, the indentures governing the BFI Notes that are guaranteed by AUNA and AWI, or pursuant to any other related documentation, to file Exchange Act reports with the Commission, the trustee or the holders of such securities during the time period in which the Subsidiary Guarantors seek to avail themselves of the suspension provided by Rule 12h-3.

III. Conclusion and Request

For the reasons discussed above, we respectfully request, on behalf of the Company, that the Staff issue a no-action letter advising us that the Staff concurs with the Company's view that neither the updating of the Form S-3 ASR effected by the automatic incorporation of the Company Form 10-K for the year ended December 31, 2011 nor the effectiveness of the Post-Effective Amendment during the fiscal year ended December 31, 2012 would, under the circumstances described herein, preclude the Subsidiary Guarantors from filing a Form 15 to immediately suspend their reporting obligations under Section 15(d) with respect to the Form S-3 Guarantees in reliance on Rule 12h-3. If and when relief is granted by the Staff with respect to the foregoing, the Subsidiary Guarantors will file a Form 15 (designating Rule 12h-3(b)(1)(i) as the appropriate rule provision relied upon to suspend the duty to file reports) no later than the filing of the Company's Form 10-Q for the period ended June 30, 2012. The Company expects to file its Form 10-Q for the period ended June 30, 2012 on or about July 27, 2012. Alternatively, we request an exemption, pursuant to Section 12(h), from any obligation of the Subsidiary Guarantors to file reports under the Exchange Act under the circumstances described herein.

If the Staff disagrees with any of the views expressed herein, we respectfully request an opportunity to discuss the matter with the Staff before any written response to this letter is issued.
