For XSP if the appointed LMM provides continuous electronic quotes during Global Trading Hours from 7:15PM CST to 2:00AM CST ("GTH1") that meet or exceed the above heightened quoting standards in at least 85% of each of the XSP series 90% of the time in a given month, the LMM will receive a rebate for that month in the amount of \$10,000 (or pro-rated amount if an appointment begins after the first trading day of the month or ends prior to the last trading day of the month) for that month. Additionally, if the appointed LMM provides continuous electronic quotes during Global Trading Hours that meet or exceed the above XSP heightened quoting standards, the LMM will receive a rebate for that month of \$0.03 per XSP contract executed in its Market-Maker capacity and provide liquidity in the Simple Book during Regular Trading Hours. The Exchange may consider other exceptions to this quoting standard based on demonstrated legal or regulatory requirements or other mitigating circumstances. In calculating whether an LMM met the heightened quoting standard each month, the Exchange will exclude from the calculation in that month the business day in which the LMM missed meeting or exceeding the heightened quoting standard in the highest number of series.
