Self-Regulatory Organizations; Cboe EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Rule 14.10, Requirements for Securities Issued by the Exchange or its Affiliates

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 30, 2020, Cboe EDGA Exchange, Inc. (the “Exchange” or “EDGA”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The Exchange proposes to amend Rule 14.10 (Requirements for Securities Issued by the Exchange or its Affiliates) regarding the requirements for the listing of securities that are issued by the Exchange or any of its affiliates. The Exchange notes that the changes proposed herein are substantively identical to changes adopted on Cboe BZX Exchange, Inc. (“BZX”).³

The text of the proposed rule change is also available on the Exchange’s website (http://markets.cboe.com/us/equities/regulation/rule_filings/edga/), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 14.10 (Requirements for Securities Issued by the Exchange or its Affiliates) regarding the requirements for the listing of securities that are issued by the Exchange or any of its affiliates. The Exchange notes that the changes proposed herein are substantively identical to changes adopted on Cboe BZX Exchange, Inc. (“BZX”).⁴

Rule 14.10 sets forth certain monitoring requirements that must be met throughout the continued listing and trading of securities issued by the Exchange or its affiliates. More specifically, Rule 14.10(b) and (c) provide that:

- throughout the continued listing and trading of an Affiliate Security⁵ on the Exchange, the Exchange shall prepare a quarterly report on the Affiliate Security for the Regulatory Oversight Committee (“ROC”) of the Exchange’s

⁴ See Securities Exchange Act Release No. 86623 (August 9, 2019) 84 FR 41771 (August 15, 2019) (SR-CboeBZX-2019-073) (the “BZX Filing”).

⁵ As defined in Rule 14.10(a)(2), the term “Affiliate Security” means any security issued by a EDGA Affiliate or any Exchange-listed option on any such security, with the exception of Portfolio Depository Receipts as defined in Rule 14.8(d) and Investment Company Units as defined in Rule 14.2.

Board of Directors that describes the Exchange’s monitoring of the Affiliate Security’s compliance with the Exchange’s listing standards (the “Quarterly Listing Report”);

- once a year, an independent accounting firm shall review the listing standards for the Affiliate Security to ensure that the issuer is in compliance with the listing requirements (“Annual Report”), and a copy of the Annual Report shall be forwarded promptly to the ROC; and
- throughout the trading of an Affiliate Security on the Exchange, the Exchange shall prepare a quarterly report on the Affiliate Security for the Regulatory Oversight Committee of the Exchange’s Board of Directors that describes the Exchange’s monitoring of the trading of the Affiliate Security, including summaries of all related surveillance alerts, complaints, regulatory referrals, trades cancelled or adjusted pursuant to Exchange Rules, investigations, examinations, formal and informal disciplinary actions, exception reports and trading data used to ensure the Affiliate Security’s compliance with the Exchange’s listing and trading rules (the “Quarterly Trading Report” and, collectively with the Quarterly Listing Report, the “Quarterly Reports”).

Rule 14.10(d) requires that a copy of all Quarterly Reports and Annual Reports will be forwarded promptly to the Commission.

The Exchange proposes to amend Rule 14.10(d) to remove the requirement that copies of the Quarterly Reports and Annual Reports be forwarded to the Commission and instead providing that the Exchange will forward a copy of the Quarterly Reports and/or Annual Reports to the Commission upon request.

Finally, the Exchange is proposing to make clear that the requirements under Rule 14.10(b)(1),⁶ (2),⁷ (3),⁸ and (4)⁹ do not apply to Affiliate Securities that are Exchange-listed options. The Exchange is proposing this change because there is no issuer for options as the term is used in Rule 14.10(b) and each of the requirements under Rule 14.10(b) is implicitly related to equity securities and not to options on such equity securities. The Exchange is not proposing to make any changes to the requirement for all Affiliate Securities (including options) under Rule 14.10(c) that “[t]hroughout the trading of an Affiliate Security on the Exchange, the Exchange shall prepare a quarterly report on the Affiliate Security for the Regulatory Oversight Committee of the Exchange’s Board of Directors that describes the Exchange’s monitoring of the trading of

⁶ Rule 14.10(b)(1) requires that prior to the initial listing of an Affiliate Security on the Exchange, Exchange personnel shall determine that such security satisfies the Exchange’s rules for listing, and such finding must be approved by the Regulatory Oversight Committee of the Exchange’s Board of Directors.

⁷ Rule 14.10(b)(2) requires that throughout the continued listing of an Affiliate Security on the Exchange, the Exchange shall prepare a quarterly report on the Affiliate Security for the Regulatory Oversight Committee of the Exchange’s Board of Directors that describes the Exchange’s monitoring of the Affiliate Security’s compliance with the Exchange’s listing standards, including: the Affiliate Security’s compliance with the Exchange’s minimum share price requirement; and the Affiliate Security’s compliance with each of the quantitative continued listing requirements.

⁸ Rule 14.10(b)(3) requires that once a year, an independent accounting firm shall review the listing standards for the Affiliate Security to ensure that the issuer is in compliance with the listing requirements and a copy of the report shall be forwarded promptly to the Regulatory Oversight Committee of the Exchange’s Board of Directors.

⁹ Rule 14.10(b)(4) requires that in the event that the Exchange determines that the EDGA Affiliate is not in compliance with any of the Exchange’s listing standards, the Exchange shall notify the issuer of such non-compliance promptly and request a plan of compliance. The Exchange shall file a report with the Commission within five business days of providing such notice to the issuer of its non-compliance. The report shall identify the date of the non-compliance, type of non-compliance, and any other material information conveyed to the issuer in the notice of non-compliance. Within five business days of receipt of a plan of compliance from the issuer, the Exchange shall notify the Commission of such receipt, whether the plan of compliance was accepted by the Exchange or what other action was taken with respect to the plan and the time period provided to regain compliance with the Exchange’s listing standards, if any.

the Affiliate Security, including summaries of all related surveillance alerts, complaints, regulatory referrals, trades cancelled or adjusted pursuant to Exchange Rules, investigations, examinations, formal and informal disciplinary actions, exception reports and trading data used to ensure the Affiliate Security's compliance with the Exchange's listing and trading rules." As such, the Exchange will continue to prepare reports on all Affiliate Securities (including those that are Exchange-listed options) as required under Rule 14.10(c).

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act¹⁰ in general and Section 6(b)(5) of the Act¹¹ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change is designed to prevent fraudulent and manipulative acts and practices, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest, because the proposed changes would reduce the paperwork received by the Commission and ease the burden of submitting the Quarterly Reports and Annual Reports, without changing the

information available to the Commission. In discussions with the Commission Staff regarding Rule 14.10, it was determined that the Exchange no longer needed to provide copies of the Quarterly Reports and Annual Reports to the Commission. The Quarterly Reports and Annual Reports would continue to be available to the Commission, as they are subject to Section 17 of the Act¹² and Rule 17a-1 thereunder,¹³ pursuant to which the Exchange is required to keep and preserve copies of the Quarterly Reports and Annual Reports, and to promptly furnish to the Commission copies of such Reports upon request of any representative of the Commission.

Finally, the Exchange believes that the clarifying change to exclude options on Affiliate Securities from the requirements of Rule 14.10(b) would promote just and equitable principles of trade and remove impediments to a free and open market by making clear that certain obligations that implicitly did not apply to options on Affiliate Securities do not, in fact, apply. As noted above, the Exchange will continue to prepare reports on all Affiliate Securities that include summaries of all related surveillance alerts, complaints, regulatory referrals, trades cancelled or adjusted pursuant to Exchange Rules, investigations, examinations, formal and informal disciplinary actions, exception reports and trading data used to ensure the Affiliate Security's compliance with the Exchange's listing and trading rules (including those that are Exchange-listed options) as required under Rule 14.10(c).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed changes to eliminate the requirement that the Exchange

submit copies of the Quarterly Reports and Annual Reports to the Commission and excluding options on Affiliate Securities from the requirements of Rule 14.10(b) will have no impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

A proposed rule change filed under Rule 19b-4(f)(6)¹⁶ normally does not become operative for 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁷ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay to allow the Exchange to make the proposed changes to its rules without

¹⁴ 15 U.S.C. 78s(b)(3)(A).

¹⁵ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

unnecessary delay in order to be consistent with those already in place on BZX, its affiliate. The Commission notes that the proposed rule change is based on and substantively identical to the rules of BZX.¹⁸ For this reason, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission waives the 30-day operative delay and designates the proposal operative upon filing.¹⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
