June 23, 2016

Self-Regulatory Organizations; CBOE Futures Exchange, LLC; Notice of Proposed Rule Change to Make Clarifying Updates to Prohibited Disruptive Trading Practices

Pursuant to Section 19(b)(7) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on May 31, 2016 CBOE Futures Exchange, LLC ("CFE" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change described in Items I, II, and III below, which Items have been prepared by CFE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons. CFE also has filed this proposed rule change with the Commodity Futures Trading Commission ("CFTC"). CFE filed a written certification with the CFTC under Section 5c(c) of the Commodity Exchange Act ("CEA")² on May 27, 2016.

I. <u>Self-Regulatory Organization's Description of the Proposed Rule Change</u>

The Exchange proposes to amend its rule provisions related to disruptive trading practices. The scope of this filing is limited solely to the application of the rule amendments to security futures traded on CFE. The only security futures that have been offered for trading on CFE were traded under Chapter 16 of CFE's Rulebook, which is applicable to Individual Stock Based and Exchange-Traded Fund Based Volatility Index security futures. CFE does not currently list any security futures for trading. The text of the proposed rule change is attached as Exhibit 4 to the filing but is not attached to the publication of this notice.

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the</u> <u>Proposed Rule Change</u>

In its filing with the Commission, CFE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CFE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

1. <u>Purpose</u>

CFE Rule 620 (Disruptive Trading Practices) prohibits various disruptive trading practices and CFE Policy and Procedure XVIII of the Policies and Procedures section of the CFE Rulebook lists various factors that CFE may consider in assessing whether conduct violates Rule 620. The proposed rule change proposes clarifying updates in relation to these provisions with respect to security futures. These rule amendments will also apply to all other products traded on CFE.

List of Rules Applicable to Market Participants Subject to CFE Jurisdiction

CFE Rule 308(d) sets forth the list of rules which are applicable to market participants that are not CFE Trading Privilege Holders ("TPHs") or related parties of TPHs and are subject to CFE jurisdiction under CFE Rule 308 (Consent to Exchange Jurisdiction). The proposed rule change adds Policy and Procedure XVIII to the list of rules that already apply to these market participants. This is a clarifying change since Rule 620 is one of the rules listed in Rule 308(d) and Policy and Procedure XVIII simply describes how CFE applies Rule 620.

Submission of Trade at Settlement Orders

Policy and Procedure XVIII currently provides guidance on prohibited disruptive trading practices. The proposed rule change adds reference to an existing prohibition under CFE Rule 404A(c) as an example of conduct that could also violate Rule 620. Rule 404A(c) provides that during the time period between business days for a CFE contract, entry into CFE's trading system of a Trade at Settlement order in that contract prior to the time at which CFE's trading system disseminates the pre-opening notice for that contract is prohibited.

Bona Fide Orders that Also Serve a Risk Management Purpose

Additionally, the amendment clarifies that a market participant is not precluded from entering a bona fide order that is intended to be executed where that execution may also serve some other risk management purpose, such as verifying the flow of the executed trades through the market participant's back-office systems.

The proposed rule change is consistent with similar updated guidance provided by other designated contract markets ("DCMs") regarding disruptive practices.³

2. <u>Statutory Basis</u>

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Sections $6(b)(5)^5$ and $6(b)(7)^6$ in particular in that it is designed:

³ These DCMs are Chicago Mercantile Exchange, Inc. ("CME"), The Board of Trade of the City of Chicago, Inc., New York Mercantile Exchange, Inc., and Commodity Exchange, Inc. Each submitted self-certification rule filings to the CFTC pursuant to CFTC Regulation §40.6(a) to effectuate their respective updated guidance. See, e.g., CME Submission No. 15-436 (October 8, 2015), which is available on the CFTC's website.

⁴ 15 U.S.C. 78f(b).

⁵ 15 U.S.C. 78f(b)(5).

⁶ 15 U.S.C. 78f(b)(7).

- to prevent fraudulent and manipulative acts and practices;
- to promote just and equitable principles of trade; and
- to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change will benefit market participants because it will provide greater clarity regarding the Exchange's current prohibited disruptive trading practices and the various factors that CFE may consider in assessing whether conduct violates Rule 620. Additionally, the Exchange believes that the proposed rule change will strengthen its ability to carry out its responsibilities as a self-regulatory organization by providing further guidance regarding the type of activity that is prohibited under CFE Rule 620. In addition, the proposed rule change benefits market participants by contributing to the protection of CFE's market and market participants from abusive practices and to the promotion of a fair and orderly market.

B. Self-Regulatory Organization's Statement on Burden on Competition

CFE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that the proposed rule change will not burden competition because the new clarifying updates to the prohibited disruptive trading practices will apply equally to all market participants and will help to foster a fair and orderly market. Additionally, the proposed rule change is designed to make CFE's disruptive trading practice rules consistent with the existing rules and guidance published by other DCMs.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule</u> <u>Change Received from Members, Participants, or Others</u>

No written comments were solicited or received with respect to the proposed rule change.

III. <u>Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action</u> The proposed rule change will become effective on June 13, 2016.

At any time within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of Section 19(b)(1) of the Act..⁷
