March 12, 2024

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change to Amend NYSE American Rule 4120

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 ("Act")<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on March 5, 2024, NYSE American LLC ("NYSE American" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. <u>Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed</u> <u>Rule Change</u>

The Exchange proposes to amend NYSE American Rule 4120 (Regulatory Notification and Business Curtailment) to correct a cross-reference in subsections (a)(1)(C) and (c)(1)(C). The proposed rule change is available on the Exchange's website at <a href="www.nyse.com">www.nyse.com</a>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change</u>

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the

places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and the Statutory</u>
<u>Basis for, the Proposed Rule Change</u>

## 1. Purpose

The Exchange proposes to amend NYSE American Rule 4120 to correct a cross-reference in subsections (a)(1)(C) and (c)(1)(C).

NYSE American Rules 4120(a)(1)(C) and 4120(c)(1)(C) require member organizations to notify the Exchange if its net capital falls below the level specified in Securities Exchange Act ("SEA") Rule 17a-11(c)(2). The correct cross reference in both rules should be to SEA Rule 17a-11(b)(2). A recent amendment to SEA Rule 17a-11 resulted in a numbering change, and so what was previously SEA Rule 17a-11(c)(2) is now SEA 17a-11(b)(2). The Exchange accordingly proposes to correct the cross-reference in NYSE American Rules 4120(a)(1)(C) and 4120(c)(1)(C) by replacing SEA Rule 17a-11(c)(2) with SEA Rule 17a-11(b)(2).

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(5) of the Exchange Act,<sup>5</sup> in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

<sup>&</sup>lt;sup>5</sup> 15 U.S.C. 78f(b)(5).

The Exchange believes that the proposed change to NYSE American Rules 4120(a)(1)(C) and 4120(c)(1)(C) to correct a cross-reference to a previously renumbered subsection would remove impediments to and perfect the mechanism of a free and open market and a national market system because the proposed change is designed to update an external rule reference. The Exchange believes that member organizations would benefit from the increased clarity, thereby reducing potential confusion and ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules. The Exchange further believes that the proposed amendment would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased clarity, thereby reducing potential confusion.

## B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

In accordance with Section 6(b)(8) of the Act,<sup>6</sup> the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but is rather concerned with making a correction to Exchange rules. Since the proposal does not substantively modify system functionality or processes on the Exchange, the proposed changes will not impose any burden on competition.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others</u>

No written comments were solicited or received with respect to the proposed rule change.

# III. <u>Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action</u>

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup> Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6)(iii)<sup>10</sup> thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>11</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii), <sup>12</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that the proposed change will not adversely impact investors and will permit the Exchange to promptly correct a rule reference in order to alleviate potential investor or public confusion and add clarity to its rules. According to the Exchange, because the proposed rule change does not raise any novel regulatory issues, the Exchange believes that

<sup>&</sup>lt;sup>8</sup> 17 CFR 240.19b-4(f)(6).

<sup>&</sup>lt;sup>9</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>17</sup> CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>&</sup>lt;sup>12</sup> 17 CFR 240.19b-4(f)(6)(iii).

waiver of the operative delay would be consistent with the protection of investors and the public interest. The Commission finds that, because the proposed rule change merely corrects a rule reference in the Exchange's rulebook, waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.<sup>13</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) of the Act<sup>14</sup> to determine whether the proposed rule change should be approved or disapproved.
